

Lehigh Valley Christian High School

Tuition Policies

Tuition

- The term "tuition" refers to basic Tuition costs.
- Tuition is managed on a per-semester basis.
- A student is not considered enrolled until the enrollment fee is paid and at least one month's tuition is received.
- \$250 per student of the first month's tuition is considered a non-refundable security deposit.
- Withdrawals prior to the start of school are refundable less the \$250 security deposit per student.
- Withdrawals for existing students prior to the start of the second semester require notification at least 30 days before the start of the second semester. If notification is received less than 30 days but still before the start of the second semester, any second semester tuition paid will be refunded less a \$250 security deposit per student.
- Withdrawals after the start of a semester will have the first 30 calendar days of the semester in which a portion of the semester tuition can be refunded (see below). After 30 days, no refunds will be given.

Fees

- Application Fee -- not refundable.
- Student Services Fee (International Students) - not refundable.
- Graduation Fee -- refundable if requested before 4/15.
* Note: this fee is not refundable for a student not meeting the graduation requirements. However, the fee can be applied to the next year's graduation fee if the student chooses to remain at LVCHS.

Withdrawals / Refunds

Withdrawals after start of the semester:

- 1st day of semester through 10th calendar day, 75% of semester tuition refunded
- 11th calendar day through 20th calendar day, 50% of semester tuition refunded
- 21st calendar day through 30th calendar day, 25% of semester tuition refunded
- 31st calendar day and after - no refund of semester tuition
